Positions Held within the LdBWA and Dates:

As a way of recognizing volunteers who make an outstanding contribution to the Lac du Bonnet Wildlife Association, a “Member of the Year” award may be given for a deserving member who has made a significant contribution to the Association over the previous year.

Please describe the specific significant contributions, initiatives or projects that the nominee has been involved in that have helped promote the Mission and Vision of the Lac du Bonnet Wildlife Association.

How has your nominee’s contributions and accomplishments made a difference to the LdBWA and its’ members?

What other qualities or attributes make your nominee a good candidate for this award? (leadership, ethics, innovation, professionalism, responsibility, teamwork etc.) Please provide details of the quality or attribute with any available examples.

List at least 2 references that you believe will also vouch for the nominee as a deserving candidate for consideration as “Member of the Year.”
